

Industrial Composite Materials / Insulation

Industrial Composite Materials / Insulation

RoMan Manufacturing offers custom Industrial Composite Materials / Insulation made from a wide range of materials.

Our range of products includes:

- Insulation plates / barriers
- Machinery safety shields
- Insulation / plastic bushings
- Control panel safety shields

We also offer complete machine shop capabilities including CNC milling, lathes, drilling, routing, shearing and sanding. In addition, we now feature precision water jet cutting technology. Water jet technology allows us to accurately cut a variety materials, in any number of shapes and thicknesses.

Our list of materials includes:

Phenolex®	ABS	Acetal	Acetron® GP
Acrylic	Antinucrobal	Apet-St	Bakelite
Celazole®	Clariflex™	Clear PVC	Composolite®
CPVC	Cutting Board	Delrin®	Delrin® AF
Dielux®	Duragrate®	Duragrid®	Duradek®
Durashield®	Duratread®	Duratron®	ECTFE
Ertalyte®	ETFE	Extren®	FEP
Fiberglass	Fibralon®	Films	Fluoroplastics
Fluorosint®	Glassmaster®	Glastic	HDPE
Hydex®	Hydlar® ZF	Implex®	Ketron®
Kynar®	Lexan® MR 10	MC® 901	MC® 907
Micarta®	Mirror	Noryl®	Nylasteel®
Nylatron®	Nyloil®	Nylon	Optix®
Optix® FG	Optix® DP	PCTFE	PBT
Peek	PETG	PFA	Phenolics
Plexiglas®	Polycarbonate	Polyethylene	Polypenco® Nylon 101
Polypropylene	Polysulfone	PPS	Profiles
Propylux® HS	PTFE	PVC Foam Sheet	PVC
PVDF	Radel®	Rulon®	Rubber
Safplate®	Semitron®	Techtron®	Teflon®
Thermalux®	Tivar®	Tivar® H.O.T.	Tivar® 1000
Tivar® 88	Tivar® Dryslide	Tivar® Cleanstat	Tivar® Antistat
Tivar® Cream P	Tolon®	Tuffak®	UHMW-PE
ULTEM®	Urethane	Vespe®	Vinyl Strip Curtains
Welding Tools	Rods	Zelux®
